

Volunteer Opportunity

Holiday Activity Leaders

Tywardreath, Cornwall

CHICKS have an exciting opportunity to deliver day activities to disadvantaged children at our Coastal Retreat in Cornwall. Volunteers will have a summer to remember, having exciting and fun experiences, learning new skills, meeting likeminded people and making a valuable difference in children's lives.

Under the guidance of an experienced CHICKS staff member you will support children to create inspirational childhood memories through fun, play and activity. We will be promoting a healthy, active lifestyle including an emphasis on time outdoors and positive food choices.

You will have the opportunity to gain experience and skills in working with and leading groups of children in a variety of activities. We will be providing experiences such as beach trips, bush-craft, swimming and baking. Full training will be provided including group leadership skills, first aid, safeguarding, food hygiene and healthy eating.

We will offer our volunteers the option of free accommodation at our retreat on the coast of Cornwall as well as expenses.

All volunteers will need to be available for a training week which is 22 to 28 July plus between 2 to 4 weeks (Monday to Friday 9am to 5pm) following that;

- 29 July to 2 August
- 5 to 9 August
- 12 to 16 August
- 19 to 23 August
