**TRUSTEES' REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2011**

---

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements of Country Holidays for Inner City Kids (the company and the group) for the year ended 31 December 2011. The Trustees confirm that the Annual report and financial statements of the company and the group comply with the current statutory requirements, the requirements of the company and the group's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2005.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**a. CONSTITUTION**

The company and the group is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on 4 May 2000.

The principal object of the company and the group is to provide respite breaks for children.

**b. METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES**

Trustees are recruited through individual recommendations made by both staff and existing Board members or by individuals approaching the Charity. Potential Trustees are then invited to attend a formal interview where the Board can assess the candidate's suitability. The Trustees objective is to ensure that the Board contains individuals with the necessary expertise to manage all aspects of the Charity.

**c. POLICIES ADOPTED FOR THE INDUCTION AND TRAINING OF TRUSTEES**

New Trustees are subjected to an informal induction process and thereafter training is provided on demand, as required for the satisfactory performance of an individuals duties.

**d. ORGANISATIONAL STRUCTURE AND DECISION MAKING**

The Trustees meet at least four times a year (plus an AGM and Strategy Day) to provide governance; to progress the aims of the Charity; to review financial matters; to approve proposals; and to discuss forward strategy.

**e. RISK MANAGEMENT**

The significant risks to the Charity have been identified and documented for assessment. The Trustees and Management review all potential risks to the Charity from disaster management to the effective use of personnel and material resources.

**OBJECTIVES AND ACTIVITIES**

**a. POLICIES AND OBJECTIVES**

The Charity has the following mission statement:

To offer free respite breaks to underprivileged and disadvantaged children and young carers nationally, irrespective of race, colour or creed.

To focus these breaks on fun and friendship in a family atmosphere of care and trust, within the boundaries of safety and duty of care; empowering the development of self-esteem and self-confidence with respect, encouragement and praise.

**b. STRATEGIES FOR ACHIEVING OBJECTIVES**

The short-term strategic objective for the charity remains to be providing 1200 children a year with a free respite break in 2012 and the longer-term objectives identified require the charity to be operating a third retreat by 2015 with the view to fulfilling the 20 year vision of operating four retreats by 2020. As part of this planning process it is imperative that the charity is able to:

- Provide free fun filled respite breaks that will provide the children we serve with positive happy memories and hope for the future
- Sustain the financial stability of the charity.
- Raise the national profile and awareness of CHICKS.
- Grow the number of volunteer supporters in line with the number of breaks provided
- Expand the number of referral agents from across the UK to extend the reach of children offered respite breaks
- Provide the highest quality, most beneficial breaks possible.
- Maintain the quality of the respite break provided by CHICKS.
- Strengthen CHICKS Case for Support across all communications.
- Grow the number of supporters, across all income streams, year on year.
- Maintain effective and appropriate communications with beneficiaries.
- Continue to improve relationships and communication with key professional partners and stakeholders.
- Continue to recruit, service and support a dedicated team of employees

The key strategic objective for the charity remains to provide as many disadvantaged and underprivileged children as possible, aged 8 - 15, with a free respite break on an annual basis within the resources available. The Trustees are aware that the whole CHICKS experience is very much focused on each child being treated as an individual and therefore CHICKS provides a high adult to child ratio of 1:2 to ensure each child is well cared for. The Trustees will continue to ensure the quality of care provided is not compromised by chasing targets or numbers to the detriment of the children in our care.

CHICKS aims to continue to reach the most disadvantaged and vulnerable children in the UK, including those in care; those suffering poverty, illness or bereavement; child carers; victims of all forms of abuse and crime; and children whose parents are addicts. CHICKS has so far provided over 9000 children with a free respite break, filled with fun, in a safe environment where the children make new friends, undertake new experiences, grow in confidence, motivation and ambition, and leave with a increased sense of self worth.

The implementation of a Fundraising Strategy aligned to the charity's operational strategy, has continued to provide a solid foundation that has underpinned CHICKS' plans to develop, sustain and expand its services. CHICKS Board of Trustees remain focused on the task in hand, to help as many disadvantaged children as possible within the available resources, and this clarity of purpose has demonstrated to current and prospective supporters the Charity's determination to deliver on its key objective. Within the current economic climate statements of intent are not enough to help the growing number of disadvantaged children who are often the unforeseen victims in this difficult financial environment.

**PUBLIC BENEFIT**

CHICKS has considered the Charity Commission's general guidance on public benefit when reviewing our aims and objectives. CHICKS provides free respite breaks, at both its Moorland and Coastal Retreats, for disadvantaged children, aged between 8 and 15, from across the UK, regardless of race or religion. These children would not otherwise enjoy a break due to the deprived circumstances in which they find themselves.

CHICKS vision remains 'to give every disadvantaged child the opportunity to feel valued'. In so doing CHICKS is not only helping each individual child, but also society in general by helping to create a future generation with sound values and behaviours.

**HEALTH AND SAFETY**

CHICKS takes all aspects of Health and Safety very seriously both to comply with legal requirements and to ensure a safe environment is maintained for all our children, staff, volunteers and visitors. Regular assessments and checks are carried out, working practices reviewed, records maintained, and opportunities provided for feedback/initiatives that identify areas for improvement.

Incident reports are produced for any Health & Safety issues and these reports are regularly reviewed by the senior management team and Trustees.

**RELATED PARTIES**

CHICKS has a wholly owned trading subsidiary called CHICKS (Trading) Limited. A company setup to sell items using the name of CHICKS with all profits from trading being relinquished to the parent, in the pursuit of the charity's charitable objectives.

**c. VOLUNTEERS**

Volunteers continue to play a vital role in helping CHICKS meet its high standards of providing one adult for every two children during the planned activities. To ensure the safety of our children is protected and to ensure all legal obligations are fulfilled Criminal Record Bureau checks and references are undertaken on all volunteers before they are permitted to work with the children. The level of dedication shown by the volunteers, many of whom return year on year to assist with the children, is testament to the difference a week at CHICKS can make.

Additional teams of volunteers also assist the charity in many different ways. These include gardeners who grow fresh vegetables in our very own garden for the children to enjoy each week, a team of fundraising volunteers who enthusiastically stuff envelopes full of magazines and information sheets on a regular basis to keep our supporters up to date with all CHICKS activities, and a committed band of volunteers who regularly attend/take part in sponsored runs, hikes and jumps, and many more fundraising events, to raise much needed funds for CHICKS.

**ACHIEVEMENTS AND PERFORMANCE**

**a. REVIEW OF ACTIVITIES**

The Trustees are pleased to report that in 2011 CHICKS provided over 1150 children with a free respite break. This included successfully providing, for the first time, two respite break camps at Christmas for children who needed a break away from their home lives over the festive period. The idea of providing respite break camps over the Christmas period came from members of our child supervisory team who work directly with the children on camp and recognized that there was a need for respite at what can be a difficult time for some families. Feedback from these camps has been very positive and we hope to repeat the Christmas camps again, finances permitting.

**TRUSTEES' REPORT (continued)  
FOR THE YEAR ENDED 31 DECEMBER 2011**

---

The solid foundations that have been established over many years, including the physical growth and purchase of our two residential retreats at Brentor in Devon and Tywardreath in Cornwall, combined with the skilled and experienced team of staff, and the continued support of our committed donors, have all contributed to the continued success of assisting over 9000 disadvantaged children.

CHICKS fundraising continued to top the £1 million mark for the fifth year in succession but at a time of national economic uncertainty this proved to be more difficult than in previous years and income was not at the level reached in 2010. Expenditure increased slightly in line with the planned budget to allow for the upgrading of facilities at Moorland Retreat to include an all-weather sports barn which was kindly funded by the Wooden Spoon, the children's charity of rugby. We also invested in solar panels funded by a grant from ATASS at our Moorland Retreat so that we can produce green energy and reduce our energy bills in future years.

Reserves reduced slightly throughout the year but it remains the Trustees aspiration to hold at least six months operating reserves to strengthen the financial standing of the Charity.

Two new Trustees joined the Board during the Year. Mark Duddridge, the Managing Director of Ginsters joined in September 2011 and Morag McLintock joined in November 2011. Ray Miles and John Willis resigned from CHICKS Board of Trustees during the year. The Board of Trustees continue to review the skill set of its members and where opportunities arise to appoint additional new members these will be evaluated against the Board's requirements.

The growth of CHICKS over recent years is testament to the need for this much sought after service and the strong support provided by an ever expanding supporter base is very encouraging. The Charity's operational team continued their good work in 2011 with respite breaks taking place at both the Devon and Cornwall retreat. The professional manner in which these camps are run remains a high priority for the Charity.

There has been a change in the senior management team during the year and whilst one or two long standing staff have left the organisation we have retained key members of the team. We have also been able to strengthen our expertise through targeted recruitment thus boosting the skills and experience of the staff team. Over 1150 children received a free respite breaks in 2011, over 50 more than in 2010 and 350 more than 2009. At a time of economic uncertainty this is a magnificent achievement and the ability to offer additional places to children who are most in need at this difficult time is testament to our generous supporters.

Contact with the children, after their break, remains an important aspect of CHICKS' work. A fun and informative newsletter keeps the children in touch with the Charity's activities and we have continued our free post envelope service which enables the children to write to the supervisory team, volunteers and other children. This service is vital in continuing long term contact with CHICKS children, it is monitored regularly and is well used with annual numbers rising. Feedback from children, referral agents and volunteers remained very positive. Over 1150 Christmas presents were also wrapped and were either posted out to the children who had visited CHICKS this year or delivered personally to the children on camp on Christmas day.

**FINANCIAL REVIEW**

2011 was a year of change and challenges for CHICKS. The economic climate continued to be uncertain, however income of £1,212,250 was achieved due to the dedication of the fundraising team. This was however under our planned forecast for the year.

Expenditure of £1,394,589 was an increase on 2010 which could be expected in due to rising costs of fuel, utilities and food. There was also an increase in recruitment fees during the year due to some of the new management team being recruited. However the expenditure remained within the planned budgeted spend for the year and overall the increase was less than the level of inflation.

(A COMPANY LIMITED BY GUARANTEE)**

**TRUSTEES' REPORT (continued)  
FOR THE YEAR ENDED 31 DECEMBER 2011**

---

Total reserves decreased during the year and at the year end stood at £1,791,488. As part of the budgeting process for 2012 the management team took a fresh look at the organisation and the need to take steps to secure the charity and its objectives. In the current climate it is important for all organisations to introduce efficiencies and for CHICKS this was key both to ensuring the short term objectives and the long term strategy of a new retreat in 2015 to increase the reach of the charity. It was also a challenging task as keeping the quality of the respite breaks was of paramount importance during the process.

As a result of the efficiency review the camps and organization have been restructured for 2012. This has led to redundancy costs of £4,060 being incurred in the final months of the year to ensure that the charity started 2012 on the right basis. Other measures have also been taken to minimise the monthly running costs.

Further controls on expenditure have been introduced throughout the year and will continue to be built on in 2012 to enable the operating reserves to be maintained and to minimize the impact of any future reduction in income.

All monies that are not needed to cover expenditure in the short term are held in Business Deposit Accounts to achieve a level of interest income for CHICKS.

**FINANCIAL REVIEW**

**a. RESERVES POLICY**

During 2011, the 2012 income plan was reviewed to identify areas where income may be at risk and the impact this would have on CHICKS. The Trustees believe that establishing a level of Reserves equivalent to between two and six months trading will provide sufficient resources to withstand any short term adverse trading conditions the Charity may encounter. This equates to between £207,000 and £622,000. At the year end, the charity had free reserves of £353,434.

**PLANS FOR THE FUTURE**

**a. FUTURE DEVELOPMENTS**

2012 marks the charity's 20th Anniversary and we plan to offer a further 1200 respite breaks this year bringing the total number of disadvantaged children helped by CHICKS to 10,000 by the end of 2012. As a charity we have been doing a lot of planning around how we can protect the children's free respite breaks from the current economic climate as the demand for our services increases.

We believe the economic climate has pushed many more children into poverty and the need for a CHICKS break is in demand now more than ever. As a charity we believe it is important to be able to maintain the number and quality of free respite breaks available. We have also had to balance this with the changes in the economic climate both in terms of fundraising and rising costs of fuel, food and energy and like all other charities in the third sector have had to look at making efficiencies.

The need for charities to be adaptable in the current climate is crucial and we have taken this into consideration when making the decision to change the running of our respite break camps from starting on a Thursday and finishing on a Tuesday, to starting on a Monday and finishing on a Friday. These changes will help reduce our expenditure in line with the income forecast for 2012 whilst still retaining the number of children we can help and the quality of care that we can offer.

We believe this is a diligent move reacting to the global situation to secure the charity for many years to come and at present will be in operation for 2012 with a review at the end of the year. Our strategy continues to be to open further retreats in line with our objectives and help even more disadvantaged children. These goals remain at the heart of the organisation and is what we are all striving to achieve.

**TRUSTEES' REPORT (continued)  
FOR THE YEAR ENDED 31 DECEMBER 2011**

---

CHICKS Board of Trustees are very aware of the need to build CHICKS capacity to deliver the longer term expansion plans of operating four retreats around the country by 2020. To ensure we can deliver the increased number of respite breaks that a third retreat will offer we have restructured the fundraising team to include the post of Business Development Manager. This role will primarily look at new sources of funding and develop long term relationships to increase the capacity of our fundraising income.

The three year research project with Exeter University, measuring the benefits to the children we help, is in its final year and progressing well with preliminary findings looking very positive. Quantifying the benefits and measuring the outputs through an independent organisation should provide a positive endorsement of the charity's work.

**TRUSTEES' RESPONSIBILITIES STATEMENT**

The Trustees (who are also directors of Country Holidays for Inner City Kids for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company and charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable group and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**PROVISION OF INFORMATION TO AUDITORS**

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the charitable group's auditors are unaware, and
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any information needed by the charitable group's auditors in connection with preparing their report and to establish that the charitable group's auditors are aware of that information.

In preparing this report, the Trustees have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report was approved by the Trustees on 20 April 2012 and signed on their behalf, by:

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2011**

---

**1. ACCOUNTING POLICIES**

**1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" published in March 2005, applicable accounting standards and the Companies Act 2006.

The Statement of financial activities (SOFA) and Balance sheet consolidate the financial statements of the company and its subsidiary undertaking. The results of the subsidiary are consolidated on a line by line basis.

No separate SOFA has been presented for the company alone as permitted by section 408 of the Companies Act 2006 and paragraph 397 of the SORP.

**1.2 COMPANY STATUS**

The company is a company limited by guarantee. The members of the company are the Trustees named on page . In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member of the company.

**1.3 FUND ACCOUNTING**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the company for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

**1.4 INCOMING RESOURCES**

All incoming resources are included in the Statement of financial activities when the company is legally entitled to the income and the amount can be quantified with reasonable accuracy. For legacies, entitlement is the earlier of the company being notified of an impending distribution or the legacy being received.

Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Gifts donated for resale are included as income when they are sold. Donated facilities are included at the value to the company where this can be quantified and a third party is bearing the cost. No amounts are included in the financial statements for services donated by volunteers.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

**1. ACCOUNTING POLICIES (continued)**

**1.5 RESOURCES EXPENDED**

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities. Support costs are those costs incurred directly in support of expenditure on the objects of the company and include project management carried out at Headquarters. Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements.

**1.6 BASIS OF CONSOLIDATION**

The financial statements consolidate the accounts of Country Holidays for Inner City Kids and all of its subsidiary undertakings ('subsidiaries').

The company has taken advantage of the exemption contained within 408 of the Companies Act 2006 not to present its own Income and expenditure account.

**1.7 TURNOVER**

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts.

**1.8 TANGIBLE FIXED ASSETS AND DEPRECIATION**

All assets costing more than £2,000 are capitalised.

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property	-	2% straight line
Plant & machinery	-	25% reducing balance
Motor vehicles	-	25% reducing balance
Office equipment	-	25% reducing balance

**1.9 INVESTMENTS**

Investments are stated at market value at the balance sheet date. The Statement of financial activities includes the net gains and losses arising on revaluations and disposals throughout the year.

Investments in subsidiaries are valued at cost less provision for impairment.

**1.10 OPERATING LEASES**

Rentals under operating leases are charged to the Statement of financial activities on a straight line basis over the lease term.
